

Cranberry and lemon muffins, and variety store chicken. Always helping me with HTML and whenever I need advice about life!

-Katie

I enjoyed playing Frisbee with you. You were an asset for the Frisbros :)

- Carolina

We started as desk neighbours and became fast friends (and sometimes frenemies - ha ha!) Kidding aside, you are extremely talented and brought so much to our team. Thank you for always providing such thoughtful feedback and insight. We will miss you!

- Lyndsay

Kevin, you are one of the best listeners I have ever worked with - you can almost "see" it! You ask insightful questions and you are always positive and encouraging to those around you. Plus delicious baking!

Tania

Always going above and beyond to keep our team connected in meetings! And your calm, cool and welcoming demeanor.

- Liz

Thanks for taking the time to teach a girl how to code

- Christie

Mr. London - the absolute BEST guide to the hidden aspects of London that out-of-towners could have asked for during our scavenger hunt!

- Skye

You've taught me a few things over the past couple of years, from technology to communication to where to get the best jerk chicken :)

-Renee

The first time I saw Kevin without shoes at a meeting. Makes it feel like home :) Perhaps Kevin you should have pushed for a no shoes day.

-Mike

Loved having brainstorming meetings with you. I will miss your great ideas!

-Mikala

Carolina, Christie, Chad, Christine, Emily, Ian, Katie, Laura, Liz, Lyndsay, Mikala, Mike, Miriam, Renee, Skye, Tania, Tina

Kevin has a way of bringing out the best in others and he's always so calm and kind

- Christine

When I think of Kevin I think of an honest intelligent, community focused person who just happens to be an awesome baker! Kevin has always proven to be a team player, both at work and on the Frisbee field! From marketing workouts to team huddles Kevin is a leader and we will miss him!

-Emily

I totally know now why Kevin is Mr. London.

- Miriam

Where to start.. The first time he took us to Irie Bites and opened our minds up to a whole new world of food. Riding the MS Bike Tour with him on multiple occasions. He's a beast. Kevin, once a Freewheeler, always a Freewheeler. We will see you next year :) Every time that Kevin was willing to listen, help out or assist in some way. Socks around the office. Who needs shoes right?

- Ian

It's been great working with you! Thank you for your many contributions to the team over the years. I'm sure I'll see you around London, Mr. London, keep in touch!

-Tina
